## Features

### Forms and materials

Offering multiple styles to blend perfectly into anyone's home, the Philips inStyle lighting fixtures are designed to match a wide range of interior decorations. With a range of applications and finishes available, they combine well with features such as curtains, furniture, paint and accessories to complete the look you want. Careful attention to detail and design help you to express your personal style and perfect your interior decoration, creating an inviting ambiance that you and your friends and family will enjoy.

### Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips inStyle. It's a range of decorative suspension lights, wall

PHILIPS

lights, ceiling lights, floor and table lamps in premium materials and different colours.

### Brilliant with light

This Philips energy-saving lamp offers brilliant light to highlight features or create a welcoming ambiance in your room whilst saving energy in comparison to traditional halogen lamps.

### Bi-directional light

This lamp gives you the flexibility to provide powerful diffused light for general illumination while offering a second option for orientation light. This functionality is possible thanks to the integrated switch box.

### Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

### Ultra-long lamp life

Philips lamp included with an ultra-long lamp life, up to 1.000 hours.
