Philips LED
Spot

4W (35W)
GU10
Warm White

046677420345

Durable LED accent lighting with a bright beam

Avoid the hassle of changing spots

Philips LED spots provide a focused bright beam, an exceptionally long life, and significant energy savings. This spot is the perfect long-lasting replacement for 35W spots with a GU5.3 cap.

Warm sparkling light
- Cool, energizing light (3000K)

Long life
- Lasts up to 25 years

Create a warm atmosphere
- High color rendering (CRI > 80) for vivid colors

Easy to use
- Instant light when switched on

Innovative design
- Our perfectly clear LED light bulb

PHILIPS

Spot
4W (35W) GU10, Warm White

046677420345

Highlights

Cool, energizing light (3000K)
Light can have different color temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light.

Lasts up to 25 years

With a lifetime of up to 25.000 hours, this Philips LED lamp will ensure your desired atmosphere for up to 25 years.*

High color rendering (CRI>80)

The color rendering index (CRI) is used to describe the effect of a light source on color appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colors truly and naturally.

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Our perfectly clear LED bulb

Philips LED technology is continously developing and creating even better replacements for traditional light sources. This innovative LED bulb is the perfect replacement for clear incandescent light bulbs, while far surpassing them in terms of energy efficiency.

Very low energy consumption

By replacing traditional light bulbs with a Philips LED alternative, you will gain immediate, significant energy savings while contributing to a sustainable planet.

Specifications

Bulb characteristics
- Dimmable: No
- Shape: Spot
- Type: GU10
- Cap/fitting: GU10
- Voltage: 110 - 130 V

Durability
- Average life (at 2.7 hrs/day): 25 year(s)
- Lifetime of lamp: 25000 hour(s)
- Lumen maintenance factor: 0.7

Light characteristics
- Application: Extra brightness
- Color temperature: 3000 K
- Light output: 200 lumen
- Color rendering index (CRI): 80
- Beam angle: 25 degree
- Color: Warm White
- Light effect/finish: Warm White
- Warm-up time to 60% light: Instant full light

Power consumption
- Wattage: 4 W
- Wattage equivalent: 35 W
- Energy efficiency label: A+
- Power consumption per 1000h: 4 kW·h

Rated values
- Rated lifetime: 25000 hour(s)
- Rated luminous flux: 200 lumen
