

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Stylish, space-saving and packed with productivity features, Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and non-reflective screens.

Lenovo V30a 22IIL AIO

Smarter technology for all

Lenovo

With its sleek design, near-borderless display and reliable performance, this 21.5” all-in-one is well-suited for use by both front-office staff and back-office teams of any modern business. It is powered by the latest 10th Gen Intel processors and packs in several security features. The FHD anti-glare display with wide viewing angles and low blue light output option is comfortable to work on, even for extended hours. 6x conveniently-placed USB ports enable users to connect essential peripherals.

REASONS TO BUY

Device offers system administrators new ways to manage data, including the ability to disable specific USB ports, set up HDD passwords, and quickly perform a 100% data wipe on an installed drive – useful when the device is being recycled or transferred to another user.

The Smart Conference feature detects the number of people in front of the computer and optimizes the audio experience; either minimizing background noise or detecting voices from multiple directions.

Optimized to reduce energy costs and minimize noise with Energy Star 8.0, EPEAT Silver and Ultra Low Noise certifications.

Lenovo V30a 22IIL AIO
