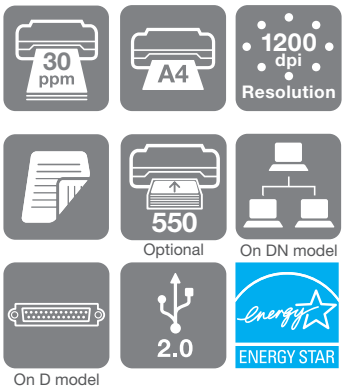
Epson **AcuLaser M2300D series**

DATASHEET



Get fast A4 mono business prints with the Epson AcuLaser M2300D series. Designed for desktop users, it combines high-speed performance with reliability for day-to-day printing you can depend on.

There's no need to wait for your prints with a first-page-out time of 6 seconds and a print speed of 30 pages per minute. And there's no compromise on quality with a professional print resolution of 1200 x 1200dpi.

Big print jobs are no problem for this high-performance laser series, which can handle up to 550 sheets using the optional additional paper tray and offers the paper-saving benefit of automatic double-sided printing.

The AcuLaser M2300D series will fit right in to IT environments, and the DN model has an Ethernet interface for easy sharing across small workgroups.

ENERGY STAR® qualified power efficiency and Epson's toner cartridge return programme make this printer series better for both the environment and your budget.
