The Verso folio stand features a tight design, finished into the details. The grey stitching add an unique look to the quality, durable cover. The inside features soft inner lining and offers optimal protection for your tablet.

Unlimited use & protection

The Verso folio stand offers optimal protection for your 10” tablet without limiting any of the features or functions of your tablet. The integrated viewing stand can be placed in three different angles, which allows you to comfortably watch movies, videos or photos. When your tablet is in the cover, all connections and buttons remain available for use, meaning you will never have to take your tablet out.

The wear-resistant folio protects your tablet against dirt, dust and scratches. On top of that the folio can be cleaned easily, enabling long-lasting use.
