Highlights

Hairclips
Use the hairclips to make sections, this will help you to style all your hair easily.

Included: Brush
Use this high-quality brush to detangle and smooth the hair cuticles to give that extra shine to your hair.

Large curling tong
If you want to create beautiful curls or waves, you need this large curling attachment with a large sized diameter.

Small curling tong
If you want to create tight curls or ringlets, you need to use a curling iron with a small diameter.

Straightener attachment
The Ceramic plates glide effortlessly through your hair, giving you perfect straight and shiny hair.

Crimper

This attachment gives your hair a great funky texture.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.
