700TVL CCTV Camera

The Conceptronic 700TVL CCTV Camera is a high-quality surveillance device which conforms to weatherproof standard IP67 and is capable of operating in temperatures from -10°C to 45°C, making it an ideal choice for home surveillance networks. Built-in infrared (IR) supports night monitoring for distances up to 40 metres, providing crystal-clear images at any time, under any light conditions. The quality cameras also offer full-screen, high resolution recording and playback. The 700TVL CCTV Camera is a great accessory for use with the Conceptronic 8-Channel CCTV Surveillance Kit, providing everything you need for safe, secure surveillance of your home or business for the utmost in peace-of-mind.
