*preparation time for 250 g pasta (2-3 portions).
***Portion estimated based on 800 g of pasta.
*****The number of shaping discs may vary per model.
*******comparison of pasta made with 100 g of wheat flour vs pasta made with 100 g of lupin, lentil or white bean flour.

# Highlights

## ProExtrude technology

This unique technology combines powerful motor, robust metal mixing paddle and strong metal front panel for a smooth finish, whatever pasta shape you pick.

## Perfect mixing

The optimised design for the mixing chamber and the powerful metal blending bar ensure a precisely prepared, even dough base every time.

## Auto-weighing Technology

The integrated scale calculates the amount of liquid to be added to the flour type of your choice, to ensure perfect results every time!

## Fully automated

The Philips Pasta Maker 7000 is fully automated. You just pour the ingredients in, relax and let the fully automated process do the rest!

## Large capacity

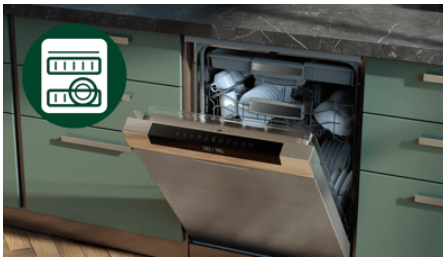

Prepare up to 8 portions** of delicious homemade pasta in one go to enjoy with family and friends.

## Pasta in under 10 minutes**

Enjoy fresh homemade pasta effortlessly in under 10 minutes.*

## Easy to clean, durable design

Stylish and durable design that complements any kitchen while ensuring a long-lasting pasta-making experience. The non-stick and dishwasher-safe parts makes the clean-up of your Pasta Maker none of the hassle.

## Up to 10 pasta shapes***

Choose from a variety of pasta shapes to prepare your ideal dish. You can store all discs in the smart storage space in the device, so you never lose them! A measuring cup and special cleaning tools for easy cleaning are also included in the pack. Shaping discs available in the package***: lasagne, penne, fettuccine, spaghetti, angel hair, thick spaghetti, tagliatelle, pappardelle, shells, paccheri.

## Step-by-step recipe guidance

Download the HomeID app and find a variety of simple, step-by-step recipes, including vegan and gluten-free options created by culinary pros. Find HomeID now in the Google Play Store and Apple App Store.

# Specifications

## General Specification

Jar material: Plastic
Blade Material: Aluminium
Pulse function: N/A
Detachable blades: N/A
Warranty: Yes
EU declaration of conformity: Yes

## Technical Specifications

Power: 200 W
Voltage: 220–240 V
Frequency: 50-60 Hz
Battery Product: No

## Weight and Dimensions

Product Length: 32.2 cm
Product Width: 22.9 cm
Product Height: 32.7 cm
Product Weight: 6.93 kg
Package Length: 33.5 cm
Package Width: 37 cm
Package Height: 41 cm
Package Weight: 9.73 kg

## Country of Origin

Produced In: China

## Safety feature

Automatic blade stop: No
