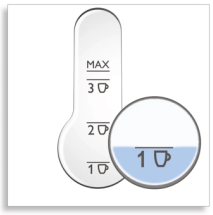
Highlights

One cup indicator



Enabling consumers to boil the amount of water they need, and therefore saving up to 50% energy and water, contributing to a better environment.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi-safety system against boil-dry, with auto switch-off when ready.

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.

Pilot light

Elegant light incorporated in the on/off switch indicates when the kettle is on.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding contact with steam.
