Highlights

400-W motor

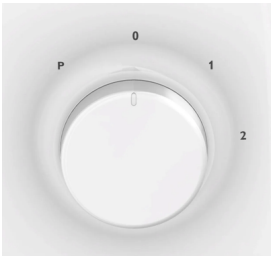
400 W

Strong 400-W motor for blending and mixing easily.

ProBlend 4

The newly designed blade will blend and cut the ingredients effectively and make a perfect smoothie for you and your family.

Multiple speeds



Blend at different speeds and to different degrees with a choice of settings.

Break-resistant plastic jar

Avoid breakages with this reinforced plastic jar. The 1.5 litre jar has a working capacity of 1.25 litres.

Pulse for mixing and blending

You can use "Pulse" mode to control blending degree and time conveniently.

Lock indicator

This simple and easily recognisable lock indicator will let you know when the appliance is ready to use safely.

New spout design

New spout design will prevent leakage after pouring into the glass.

Comfortable thumb-grip handle

New handle has a thumb-grip position for holding and carrying the jar easily.

Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.
