Specifications

Design and finishing
- Material: metal, glass
- Colour: aluminium

Extra feature/accessory incl.
- Dimmable
- LED integrated
- Perfectly suited for creating ambience
- Mechanical tunable white
- Resistant high-quality material
- Photometric data available
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 5.6 cm
- Length: 32.4 cm
- Width: 14.4 cm
- Net weight: 1.480 kg

Technical specifications
- Mains power: 230 V, 50 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 2
- Wattage bulb included: 6.5 W
- Light colour: cool white
- Beam angle: 105°
- Total lumen output fixture: 800 lm
- Fixture dimmable
- LED
- Lifetime up to: 20,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 35 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 15.2 cm
- Length: 36.8 cm
- Width: 16.6 cm
- Weight: 2.075 kg

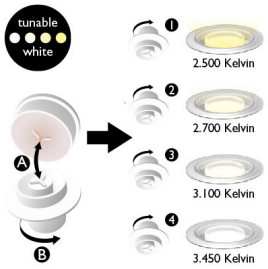
Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Modern
- Type: Wall light

Highlights

High PowerLED

The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Tunable white



Who said that LED light can never have a warm light colour? Lirio by Philips introduces tunable white. You can choose your preferred light colour from 4 standard options, from warm white to cool white. Change by using a simple tool that is included with your light. Note: this feature is not a substitute for a dimmer.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

Energy saving
This LIRIO by Philips light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
