Case Logic Luminosity™ Collection

DSLR Zoom Holster

DSH-102

Protect your DSLR camera with attached lens in the easily accessible, top loading compartment. Want to shoot with a larger lens instead? Simply unzip bottom zipper and case expands 3" to store camera with up to 70-200mm lens across body or by the top grab handle.

Product Features:

1. Fits a DSLR camera with zoom lens attached
2. Expandable zipper opens to provide extra depth (3"/18 cm) for a 70-200mm lens
3. Soft blue Nylex lining protects hardware surfaces and contrasts with camera gear to easily locate accessories
4. Adjustable snake divider offers extra layer of protection - simply wrap around camera and attach to wall for a snug fit to minimize movement within case
5. Zippered lid pocket conveniently stores slim camera accessory such as a lens cloth
6. Weather hood fits snugly over the bag to protect from the elements (when not in use, stuff in compartment on side of bag)
7. Removable, adjustable shoulder strap and grab handle allow for easy transport
