# Specifications

### Electrical characteristics
- Voltage: 12 V
- Wattage: 6 W

### Lifetime
- Life time: 500 hrs

### Packaging Data
- Packaging type: CP
- EAN1: 8711500876096
- EAN3: 8711500876119

### Product description
- Application: Interior, Rear position/parking light, Reversing light
- Base: BAX9s
- Designation: H6W BlueVision ultra
- Homologation ECE
- Range: BlueVision
- Technology: Conventional
- Type: H6W

### Outer pack information
- Gross weight per piece: 0.669 kg
- Height: 11.6 cm
- Length: 16.9 cm
- Width: 10.4 cm

### Packed product information
- Gross weight per piece: 3.345 g
- Net weight per piece: 2.6 g

### Ordering information
- Ordering code: 87609673

### Marketing specifications
- Expected benefits: More light

# Highlights

### Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

### Designed for multiple usage

Which 12-V lamp for which application? Philips' Automotive offering includes all car-specific functions: numberplate lights, rear position/parking light, glove box lights, interior signalling, front parking lights.

### ECE homologation
Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

### Xenon blue effect
Philips interior and indicator bulbs are the best choice for drivers seeking a stylish effect. The cool white light provides greater visibility in all car applications (numberplate lights, rear position/ parking light, glove box lights, interior signalling, front parking lights).
