- Power cord winder for easy storage
- Robust metal kettle with brushed stainless steel finishing
- Cordless 360° pirouette base for easy lifting and placing
- Anti-calc filter for a clean cup of water

Highlights

One cup indicator

Enabling consumers to boil only the amount of water they need, and therefore saving up to 66% energy and water, contributing to a better environment.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding contact with steam.

Pilot light

Elegant red light incorporated in the on/off switch indicates when the kettle is on.

Easy lid and spout filling

The kettle can be filled via the spout or by opening the lid.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Multi safety system

Multi-safety system against boil-dry, with auto switch-off when ready.

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Stainless steel finishing
