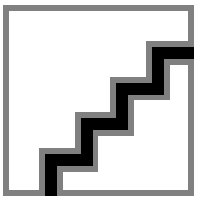
PHILIPS

Features

Car manufacturers' choice



For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Designed for multiple usage

Which 12-V lamp for which application? Philips' Automotive offering includes all car-specific functions: numberplate lights, rear position/parking light, glove box lights, interior signalling, front parking lights.

ECE homologation

We are dedicated to producing best-in-class Philips automotive products and services in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000).

Change in pairs

It is highly recommended that you change them in pairs for symmetrical light performance.

Electrical characteristics

Voltage	12 V
Wattage	24 W

Packaging Data

EAN1	8727900700442
EAN3	8727900390919
Packaging type	C1

Product description

Technology	Halogen
Type	PS24W
Application	Front fog
Designation	12086FFC1
Range	Standard
Base	PG20/3
Homologation ECE	YES

Outer pack information

Gross weight per piece	0.25 kg
Height	11.8 cm
Length	14.6 cm
Width	12.2 cm

Packed product information

Pack Quantity	1
MOQ (for professionals)	10
Gross weight per piece	16.667 g
Height	6.5 cm
Length	3.5 cm
Net weight per piece	10 g
Width	3.5 cm

Ordering information

Order entry	12086FFC1
Ordering code	70044230
