Light when and where you need it

The SpotOn Original series of compact LED lamps switch on automatically to provide easy orientation light when and where you need it. Thanks to the Smart sensor, the light turns on when somebody is approaching, but only when it is dark.

Safe to use
- LED technology is cool to the touch

Bright light for easy orientation
- Instant orientation light when and where you need it
- Ideal for dark hallways, under beds or in cupboards
- No mains power needed
- Batteries included for immediate use (3 x AAA)

Smart sensor technology
- Turns on the light when motion is detected
- The Smart sensor only works when it is dark, saving energy
