Highlights

Cable storage

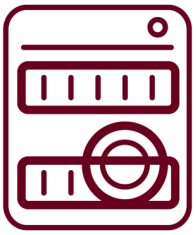
Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Water level indication

Fill the water tank easily and precisely with the water level indication.

Dishwasher-safe parts

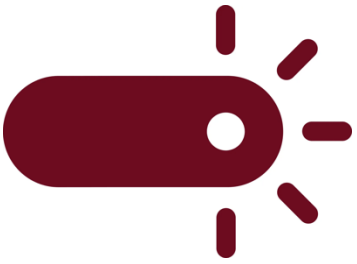


The jug and filter holder can be easily cleaned in the dishwasher.

Comfortable grip

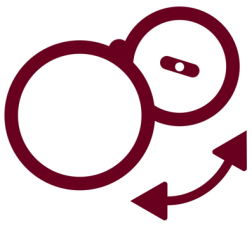
1.3 L for 10 - 15 cups

LED power switch



The red light on the switch button illuminates when the coffee maker is switched on.

Swing filter holder



The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.
