Highlights

40-mm premium neodymium drivers

Immerse yourself in crystal clear sound infused with balanced, natural warmth, thanks to finely tuned 40-mm drivers. Supported by Philips' background in sound excellence, your CitiScape headphones are carefully engineered to reproduce clean, detailed yet natural sound for truly captivating music enjoyment on the move.

Carrying pouch included

Carrying pouch included for added convenience

Closed acoustic design

Be part of the city's buzz but not its noise. With the closed acoustic on-ear design, every sound detail is isolated, allowing you to enjoy greater music detail as well as extended and dynamic bass.

Compact foldable design

Your headphones can be compactly folded for easy storage and portability.

Inspired by stylish sunglasses

Inspired by premium trendy sunglasses, your headphone's cool ear shell design is innovatively connected to the headband by a "frame" that folds and can be worn with style and ease. Just like your favourite pair of sunglasses! It even comes in a palette of chic colours and patterns to brighten your outfit… and your day.

On-ear soft cushions

On-ear soft cushions comfortably hug the contours of your ears for the best possible fit – whatever your head shape. Immerse yourself in your music for as long as you like – in fact, they feel so good that you may even forget that you have them on!

Precisely tilted ear shells

Pre-tilted ear shells perfectly fit your ear's natural angle, providing an excellent sound seal so you can truly immerse yourself in your music.
