Highlights

Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

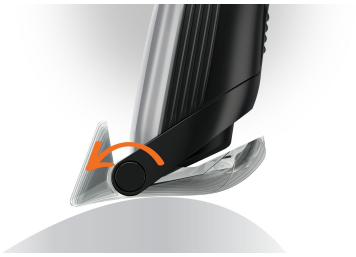
Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.

100% waterproof

Simply pop the head open and rinse under the tap to clean.

Follows every curve



The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

1 mm Buzz Comb

Extra precision with the 1 mm buzz comb for extra short hairstyles.

Battery light

The light is continuously lit to indicate a full battery, and blinks orange when you have about 10 minutes of usage left.

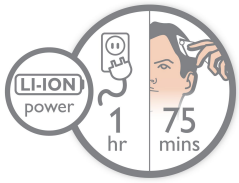
12 lock-in length settings

Two combs provide length settings from 1 mm to 21 mm, with precisely 2 mm between each length. You can use it with the specialised comb for buzz cut... Or you can use it without a comb for a close 0.5 mm trim.

Turbo power

The turbo power button boosts cutting speed for a perfect cut on even the thickest hair.

Li-ion battery power



Use with or without cord for flexibility. The powerful lithium ion battery lasts for up to 75 minutes after a 1 hour charge. A quick 10 minute charge gives you 10 minutes of clipping time, so it's always ready when you are.
