

Lirio

Spot light

- Torno
- LED

57143/31/LI

Create light, control shadows

Torno. It's all in the name. A multi-flexible, column-mounted, rotating LED spot light, directing the light in any way desired.

Benefits

Innovative lighting

- High PowerLED
- Energy saving
- Warm white light effect

Special characteristics

- Compatible with wall dimmer
- Rotates freely in any direction

Features

High PowerLED

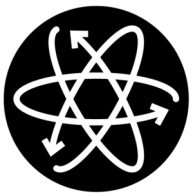
The LED module of this lamp is a uniquely developed solution by Philips, combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

PHILIPS

Rotates freely

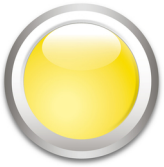


You can rotate the lamp head of the lighting fixture in the desired direction and direct light where needed.

Energy saving

This LIRIO by Philips light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light effect



Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high-power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
