Highlights

SoundRing

A truly distinctive design and engineered to provide room-filling sound. It comprises a central bass sound pipe and four high definition drivers - two front-firing and two side-firing drivers powered by Neodymium magnets, to radiate sound all around, for a great clarity throughout the whole room.

FullSound™

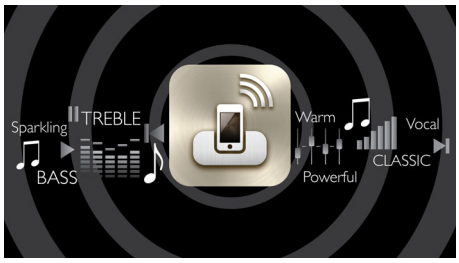

Philips' proprietary FullSound technology uses latest-generation Digital Signal Processing to faithfully enhance music rendering. Music content is dynamically analyzed and optimized to let you experience music with great detail and warmth.

AirPlay wireless technology

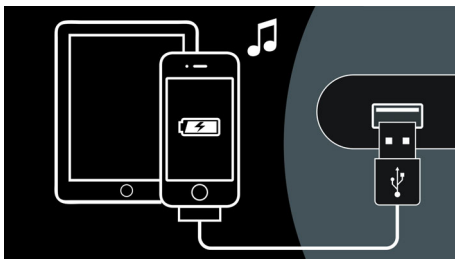

AirPlay lets you stream your entire iTunes music collection to your Fidelio docking stations. It plays wirelessly from the iTunes program on your computer, iPhone, iPad or iPod Touch - to any AirPlay-enabled speaker in your home. All you have to do is ensure your speakers are connected to your Wi-Fi network. AirPlay also lets you play simultaneously on every speaker in every room. Get your favorite tunes to follow you whichever room you go.

SoundStudio App

Have music the way you like it now. SoundStudio truly puts the power over your music into the palm of your hands. It lets you change every aspect of sound, using only your iPhone, with controls that are intuitive and simple. Now you can tweak, tailor and create your desired sound experience and have your favorite songs come to new life. SoundStudio also lets you listen to thousands of Internet radio stations worldwide, broadening your music experience even further.

Play & charge iPod/iPhone/iPad

This speaker comes with a USB port, allowing you to conveniently charge your iPod, iPhone, iPad. Simply connect your Apple device with its USB cable to the back of the speaker. You can play any music from your Apple device whilst it is charging.

AUX-in connection

The AUX-in connection allows direct playback of MP3 content from portable media players. Besides the benefit of enjoying your favorite music in the superior sound quality delivered by the speaker, AUX-in connection is also extremely convenient as all you have to do is to plug your portable MP3 player to the speaker.

Built-in rechargeable battery

For greater convenience in the same elegant style, this SoundRing can be charged on the stand supplied. Just dock the speaker on it to enjoy more hours of listening pleasure.
