

Design cordless phone

- 30-min answering machine
- 1.6" display/white backlight
- Speakerphone

M5501WG/63

Unique and desirable

With its sleek silhouette and high-quality finishing, Philips Mira challenges conventional perceptions about telephone design. Timeless, unique and stylish, it's an elegant piece of art for your home.

Benefits

Outstanding design in high-quality execution

- Comfortable handset cans designed for longer calls
- Durable, glossy and fingerprint-resistant outer shell
- Charge handset either way around
- Calibrated keypad for smooth precision clicks
- Elegant and stylish appearance from every angle
- Smart cable management

Ultimate calling experience

- Advanced sound testing and tuning for superb voice quality
- Easy-to-read 4.1-cm (1.6") 2-line graphical display
- Save up to 100 of your favourite contacts in your phonebook
- Handset speakerphone allows you to talk hands-free

Eco-designed

- Zero power emission when ECO+ mode is activated

PHILIPS

Features

Comfortable handset cans

Beautiful from every angle

Durable and glossy outer shell

Smart cable management

The smart cable management system cleverly hides the wires from sight. Intelligently designed concealed sockets and an internal cable guide ensure everything is clutter-free and neatly tucked away.

Hassle-free charging

100-name phone book

Always have the phone numbers of your loved ones available: Save up to 100 favourite contacts in your phonebook.

Smooth and calibrated keypad

Handset speakerphone

Hands-free mode uses a built-in loudspeaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

Superb sound quality

ECO+

Zero power emission when ECO+ mode is activated

2-line graphical display
