- Color changing mood light

Long lifespan
- Extremely long life 20,000 hours

Features

Energy efficient, long lasting

PHILIPS

Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Easy to maintain

Color changing mood light
