

Philips
Ceiling light

32101/17/16

Decorate your home with light

This Philips myLiving Braid ceiling light combines high-quality glass and nickel with a superior light output. Mount this light on your ceiling or on your wall and save more energy than with conventional lights.

Benefits

Sustainable light solutions

- Warm white light
- Philips bulb always included
- Adjustable light intensity with dimmer switch
- Energy saving

Features

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoHalo energy-efficient light bulbs are included in the box for achieving the best light effect.

PHILIPS

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
