Philips myLiving
Ceiling light

myLiving

30350/11/16

Decorate your home with light

Taking a detour from convention, Philips myLiving Trapezoid's unusually shaped ceiling light puts out Philips' signature diffused warm white light. The chrome construction and gentle, quality glow make it a good fit for your home.

Sustainable light solutions

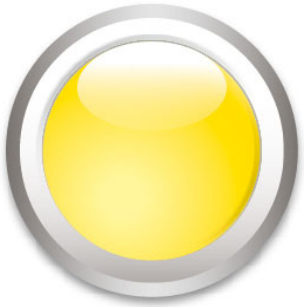
- Type: Ceiling light

Highlights

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
