Highlights

Trendy colorful design
Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Easy opening experience
The markings and perforations on the packaging show you the best way to open your packaging and get quickly access to your USB stick without hassle.

Fast data transfer
High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Activity indicator
An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Easily eject
Never lose your cap again! No more cap, the USB connector is integrated and hidden in the product design. To bring it into use, you only have to press the colored button. It will make the USB connector appear, and then, plug the stick in and play!
