Case Logic Kontrast™ Collection

Pro-DSLR Backpack

KDB-101

Strap into comfort with an ergonomic photo backpack and take your Pro DSLR, accessories and electronic devices wherever you go.

Product Features:

1. Customizable storage protects a Pro DSLR camera with attached lens plus 4-8 additional lenses or accessories
2. Water-resistant DuraBase offers protection and stability from the ground up
3. Innovative hammock system suspends camera body for superior impact protection
4. Dedicated compartment stores up to 10.1" tablet and 15" laptop
5. Quickly access memory cards, filters or small accessories through dual-access lid pocket
6. Top load entry opens away from your body for convenient access to your camera and top two accessories
7. Side stretch pockets double as tripod attachment or water bottle pockets
8. Innovative strap management system eliminates messy, hanging straps
9. Maximum comfort from padded, ergonomic back panel and shoulder straps
10. Keep pack from shifting with secure sternum strap
