Freshen up with beautiful natural light

The Philips myBathroom Blush mirror light shows colour so well, you can see yourself blush in the mirror. With energy-efficient light and superior light quality, the precision light can be attached to the mirror so it illuminates you wherever you like.

Designed for your bathroom

- True skin colour with high-quality light
- IP21, perfectly suited for your bathroom

Sustainable light solutions

- Energy saving
- Warm white light
- Philips bulb always included

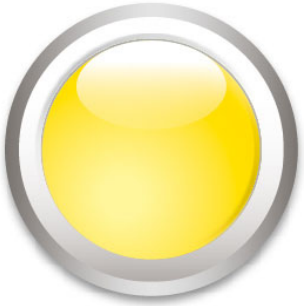
PHILIPS

Highlights

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP21 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP21: it is protected against dripping water.

Specifications

Design and finishing
- Material: glass
- Colour: chrome

Extra feature/accessory incl.
- Clamp included

Product dimensions and weight
- Height: 15.1 cm
- Length: 7.7 cm
- Width: 14.2 cm
- Net weight: 0.350 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: E14
- Wattage bulb included: 12 W
- Maximum wattage replacement bulb: 12 W
- Light colour: 2700K warm white
- Lamp lifetime up to: 8000 hrs
- IP code: IP21, protection against objects bigger than 12.5 mm, protection from vertically dripping water
