*Compare to Philips' number one blender HR2094

Highlights

Unique jar

Blade positioned off-centre in the jar will create turbulence and mix ingredients in the most effective way.

800 W motor

This Philips blender has a strong 800-W motor for blending, mixing and crushing effectively.

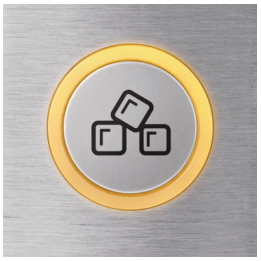
2 l glass jar

The 2-l jar is made of high-quality glass, which is scratch-proof, and makes it possible to process hot ingredients.

Speed control with display

Set the blender to the speed you want with this unique control knob.

Programmed ice-crush function



Motor will operate pre-programmed sequence to crush ice easily at the touch of a button

Pulse and smoothie button

Pulse button to control the operation whatever you want and smoothie button for making the best-tasting smoothie by pressing once.

Spatula

The handy spatula of the Philips blender ensures safe stirring while blending the ingredients.

Detachable blade unit

Easy cleaning with detachable blade unit

Dishwasher safe

All parts are dishwasher safe, except for the main unit and blade assembly.
