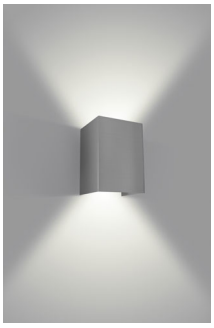
Highlights

High quality LED light

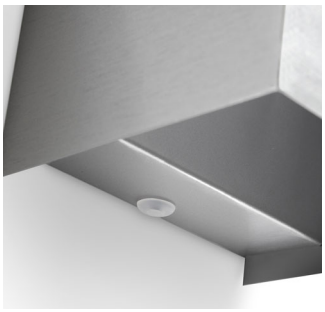
The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Cable exit



A cable exit allows you to mount the lamp on your wall and connect it with a normal wall plug.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Specifications

Design and finishing
- Material: metal
- Colour: matt chrome

Extra feature/accessory incl.
- LED integrated
- Bi-directional light beams
- Defined light beams
- Pull relief

Product dimensions and weight
- Height: 14 cm
- Length: 10 cm
- Width: 9.0 cm
- Net weight: 0.500 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 3 W
- Light colour: warm white
- Total lumen output fixture: 270 lm
- Fixture dimmable: No
- LED
- Lifetime up to: 25,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 35 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 17.2 cm
- Length: 11.5 cm
- Width: 10.5 cm
- Weight: 0.610 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Wall light

Issue date 2017-04-02

Version: 1.0.1

12 NC: 9150 043 12101
