
Philips
InRange Bluetooth smart leash

• for iPhone 5/4S & the new iPad

AEA1000/00

Keep your valuables within range

by using Philips InRange wirelessly

Philips InRange keeps your valuables and iPhone within range using Bluetooth® wireless technology. It alerts you if you leave your valuables behind and can find them when misplaced. Fits perfectly into wallets or keys for peace of mind.

Benefits

Always keep your valuables close to you

• Free InRange app to pair iPhone to multiple InRange
• Alerts when InRange and iPhone are out of range
• Locate your iPhone or InRange with just one touch
• Set times when the InRange won't alert you

Advanced Bluetooth wireless technology

• Long battery life with Bluetooth low-energy technology
• Make calls via Bluetooth headset even with InRange paired

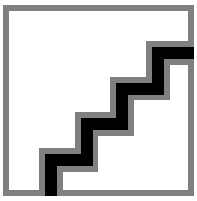
Simple and easy to use

• Small and thin to easily fit into your wallet's card pocket
• InRange with protective case safely attaches to keys or bags

PHILIPS

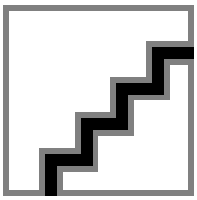
Features

Free app pairs iPhone/InRange

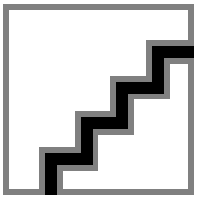


On your iPhone 4S/New iPad, download Philips InRange from Apple App Store and start running the app. Follow the on-screen instructions to add the items you want to protect and set the alarm range, then attach Philips InRange devices to the item.

Alerts when out of range



One touch to locate

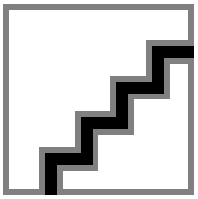


To look for the added item within the set range, tap the home button on your iPhone 4S/New iPad and the InRange device attached to the item rings. Press the button on the InRange device to look for your iPhone 4S/New iPad within the set range in reverse.

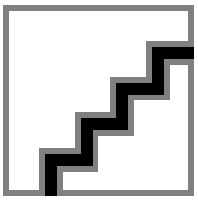
Create SafeTime

Low-energy operation

Continue Bluetooth calls



Fits perfectly into wallet



Easily attaches to valuables
