Highlights

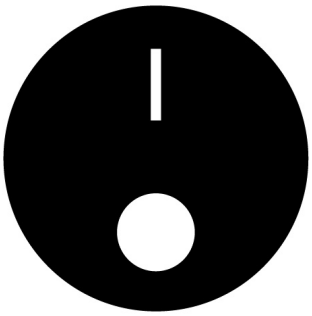
High PowerLED

The LED module of this lamp is a uniquely developed solution by Philips combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

Compatible with wall dimmer

This light is compatible with an installed wall dimmer (not included in the box).

On/off switch on article

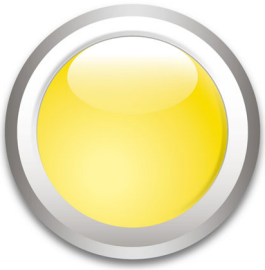


With the button discreetly integrated in the article, you can easily switch the light on and off.

Energy saving

This LIRIO by Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light effect



Light up your home with warm white light. Lirio by Philips introduces a generation of warm white high power LEDs. This innovation brings our lamps to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
