

EP28Pro Comb Punch Machine

4400103

PRODUCT DESCRIPTION

The CombPunch EP28Pro is perfect for high volume environments that demand a robust comb punching production unit. It punches up to 28 sheets at a time electronically using either a trigger switch or foot pedal while selector pins allow you to adjust for any paper size up to A3. It is designed for use with the DB28Pro CombBind finisher.

FEATURES

- Punches up to 28 sheets at a time with either a trigger switch or foot pedal
- High volume clippings tray
- Designed to withstand constant use in a production environment due to robust aluminium construction.
- Designed for use with the DB28Pro comb finisher (4400104)
- 28 disengeageable punch pins accommodate different paper sizes up to A3 sized.
