Highlights

Even light distribution

With the customised optics in Philips EyeCare desk lamps, you get light that is diffused and evenly distributed across your workspace. This reduces uneven lighting and dazzle, which normally leads to tired eyes and general eye fatigue.

Reduces glare and eye strain

The combination of customised optics and high-quality cool white LED light in this Philips EyeCare desk lamp helps to reduce glare and eye strain. Comfortable and with no visible flickering, it helps to support optimal eye comfort.

Cool daylight

Various findings have pointed out that a cool daylight colour temperature of 5500K and up to 1000 lux promotes concentration by maintaining energy levels and alertness with natural light levels.

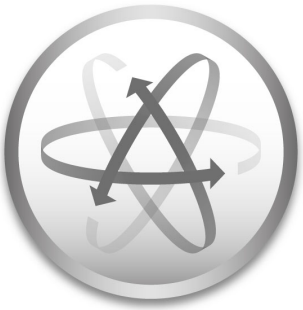
Gradual touch dimming

Fully adjustable light levels with gradual touch dimming ensure you'll always be able to set a light level that is kind to your eyes and perfect for the task at hand. Gradual dimming also ensures a smooth transition between different light levels, allowing your eyes to adjust more naturally.

Built-in USB port

For added convenience, this Philips EyeCare desk lamp comes with a built-in USB port, enabling you to charge your smartphones or other devices while you work.

Extended reach



The ergonomic and flexible arm of this Philips EyeCare desk lamp is designed to offer extended reach for maximum reading comfort. Positioning is effortless, so you won't have to bend or move awkwardly around your desk to get your lighting focused correctly on your workspace.

Specifications

Design and finishing
- Material: synthetics
- Colour: white

Extra feature/accessory incl.
- Dimmer and on/off switch on article
- LED integrated
- Defined light beams
- UK plug included
- USB charging
- Tiltable head (up-down)
- Anti-glare light source
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 46.4 cm
- Length: 49 cm
- Width: 20 cm
- Net weight: 2.280 kg

Technical specifications
- Mains power: Range 100 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 5.5 W
- Maximum wattage replacement bulb: 5.5 W
- Light colour: cool daylight
- Lamp lifetime up to: 15,000 hrs
- Total lumen output fixture: 300 lm
- Fixture dimmable
- LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 37 W

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 59.5 cm
- Length: 23.3 cm
- Width: 10.1 cm
- Weight: 3.010 kg
