Aluminium Central stand

• for Philips TVs

PTS840/00

A different look for your TV

Position your TV to your liking

Give your TV a new look with the Philips PTS840 Central Stand. Our designer's chose subtle, sophisticated colours and finishes and combined them with authentic, quality materials such as aluminium to create a stand design that matches your TV.

Benefits

Designed around you

• Brushed aluminium stand makes a timeless statement
• Freedom to place your TV wherever you want
• Modern design complements today's interior

Features

Brushed aluminium stand

A TV with presence. Because real metal makes a quality statement in your home, our designers used classic brushed aluminium for the stand to match the solid metal facing at the front of your TV.

Free placement

The swivel function on this central stand allows you to place the TV in the optimal position, offering you a truly relaxing viewing experience.

Modern design

Designed with a contemporary look to blend with your décor. Because your TV should look as beautiful off as it does on.
