EWG127410W Front loaded WM

Adjust the cycle to suit your schedule – not the other way around

Make certain the laundry will fit into your schedule. With TimeManager®, you can adjust the cycle and your laundry will be ready exactly when you say so.

Take care of the environment while taking care of the laundry

With this washing machine, you get the great results you want, while using energy efficiently. It has an A++ energy rating, awarded in line with new EU directives.

Choose to save time and money by washing more in one go

Thanks to its ability to wash larger loads, this built-in washing machine can save you time and money.

More Benefits :

• Delay Start – postpone when the cycle starts for up to 20 hours
