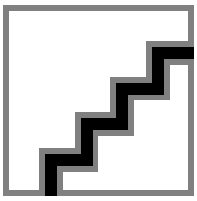
PHILIPS

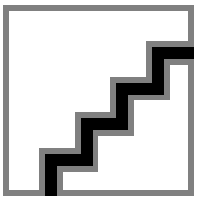
Features

2400 Watt



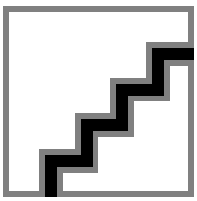
2400 Watt enables constant high steam output.

Up to 40 g/min of steam



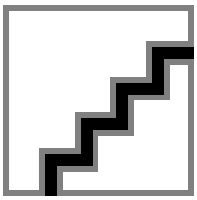
Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 130 g



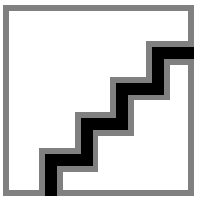
The steam boost can be used for vertical steaming and tough creases.

SteamGlide soleplate



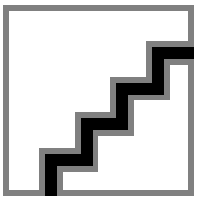
SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider



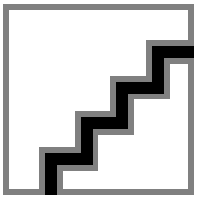
This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Calc buster pill



After time calc builds up in your iron. This pill breaks down the calc in pieces so you can calc clean your iron easily. This cleaning needs to happen once a month.

Safety auto off



The iron shuts off automatically when left unattended. If it is left on it's heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.
