Highlights

50% slimmer flat design
The Ultra-flat HDMI cable is 50% slimmer than ordinary flat HDMI cables. This makes it best for effective hide-away installation on walls and under carpets in homes.

Fits even in tight corners
The Ultra-flat HDMI cable is extra flexible so that it fits even in the tightest wall corners. This makes the cable ideal for flush installation over the wall for wall mounted TVs.

Paintable Surface
Cable's outer jacket is paintable using common household paints for easy fit within your home decor.

UHD 2160p
Supports video resolutions up to UHD 2160p. This enables your display to rival Digital Cinema systems used in cinemas.

3D experience
Supports all 3D video formats, allowing true 3D home theatre and gaming applications.

Audio Return Channel (ARC)
Allows an HDMI-connected TV with built-in tuner to send digital audio data to a surround audio system, eliminating the need for a separate audio cable.

24 carat gold-plated connector
24 carat gold-plated connectors ensure the best signal quality for your components.

High-purity copper
This copper conductor provides high accuracy in signal transfer with minimal resistance.

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.
