Whirlpool steam oven: inox color - AMW 599 IXL

This Whirlpool built in Steam Oven features: spacious 32 litre capacity. Exclusive 6th SENSE technology that reheats and defrost food with the use of steam, preserving valuable nutrients, vitamins, minerals and fresh taste. Revolutionary iXelium nanotechnology treatment that protects your appliance from fingerprints, scratches and dust, ensuring a perfect shine. ECO mode, for eco-friendly, low energy-consumption cooking. Outstanding cooking results, with ForcedAir+ technology.

Reheat
Fast reheating. Your reheated meal will taste as good as it did when it was first cooked, with the fast, intuitive Reheat function.

Defrost
Effortless defrosting. The Defrost function delicately defrosts your food, to ensure great taste and texture, in little time.

Forced Air Plus steam
Ideal cooking results. This Whirlpool Steam Oven combines the efficient, even and thorough cooking results of Forced Air technology, with the healthy, natural action of steam.

Forced Air
Seal in the taste. Thanks to the Forced Air technology, preheated air is circulated inside your Steam-Oven using an innovative convection system, giving you moist, juicy cooking results.

Electronic type of control
This Whirlpool Steam Oven features convenient electronic controls that ensure accurate and precise temperature settings.

Ixelium
Long lasting shine. The revolutionary iXelium treatment protects your microwave oven from scratches and corrosion, ensuring a perfect shine, always. And it's easy to clean: all you need is water and a soft cloth.

A Energy efficiency class
Whirlpool Ovens with high energy ratings provide outstanding energy savings and effectively reduce cooking times.

Knob type
This Whirlpool Steam Oven features modern Push-Push knobs, concealed within the control panel, providing a smooth, contemporary design.

SENSING THE DIFFERENCE

MAIN FEATURES

Product group	Steam-Oven
Commercial code	AMW 599 IXL
Main colour of product	Inox
Construction type	Built-in
Type of control	Electronic
Type of control settings	LCD
Type of control devices	Push push knobs + buttons
Cooking method of the cavity	Combi steam
Forced air	Yes
Forced air plus steam	Yes
Reheat	Yes
Defrosting	Yes
Connectivity	-
Sous vide	No
Current (A)	10
Voltage (V)	230
Frequency (Hz)	50
Length of Electrical Supply Cord (cm)	125
Plug type	Schuko
Cooking levels	3
Height of the product	455
Width of the product	595
Depth of the product	537
Minimum niche height	450
Minimum niche width	556
Niche depth	550
Net weight (kg)	31
Usable volume (of cavity)	32
Water tank volume	2
6th Sense / Dynamic Intelligence	6th Sense
Grids of the cavity	1
Trays	1
Steam tray	Yes

TECHNICAL FEATURES

Number of glasses in door	-
Time control	Electronic
Location steam generator	Outside cavity
Safety device	-
Number of interior lights of the cavity	1
Surface treatment	-
Oven guides of the cavity	-
Meat probe	No

PERFORMANCES

Adjustable Temperature (°C)	40°C - 100°C
Electrical connection rating (W)	1450
Energy efficiency class	A
Energy consumption convection (kWh)	0
FA power (W)	1400
