PHILIPS

Fabulous flexibility

Philips SmartSpot is an advanced light source that puts you in full control of your home lighting. Many pieces rotate freely, allowing you to direct the light to where you need it most.

Long lifetime

Halogen bulbs last up to 4000 hours.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Saves up to 40% energy

This light conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Brilliant high-quality light

Philips halogen lamps offer brilliant light to highlight features or create a nice ambience in your room.
