

Wireless Bluetooth® headphones

- On-ear
- White

SHB9150WT/00

Premium sound quality, wired or wireless

one-touch pairing

Digital enhancement and superior drivers deliver booming bass with clear sound. Deluxe FloatingCushions allow for full multi-directional ear shell adjustment, ideal for comfortable listening when wired or wireless

Benefits

Premium sound quality
- Digital enhancement reveals hidden notes and nuances
- Superior speakers deliver high performance sound

Brings convenience to your lifestyle
- Pair with your NFC enabled device with one touch
- Choice of wireless or wired listening
- Supports Bluetooth2.1+ EDR HSP/HFP/A2DP/AVRCP mobile devices

Designed for long-wearing comfort
- Natural comfort fit from deluxe memory-foam FloatingCushions
- Light and slim headband design

Be free from hassle
- Easy-to-use smart controls for music listening and calls

PHILIPS

Features

Deluxe FloatingCushions

The innovative deluxe FloatingCushions design allows for full multi-directional, automatic cushion adjustment, without a traditional C-hinge construction. This optimises stability by applying pressure evenly onto your head and ears and creates a comfortable fit.

Digital enhancement

Booming, superior bass with high-performance drivers and digital enhancement.

Easy NFC pairing

Pair with any NFC enabled device effortlessly. Gone is complicated wireless headphone pairing. Our new NFC technology is user friendly and easy to use, with one touch pairing for any NFC enabled smart device.

Light and slim headband design

The light and slim headband design makes these headphones perfect for outdoor use and unnoticeable even after hours of wear.

Smart controls

Easily switch between music and calls with smart controls (volume, track and toggle control).

Superior speakers

40mm precision drivers with neodymium magnets produce rich bass and high-performance sound.

Wired or wireless

Use as a wireless headphone or connect directly with a 3.5mm plug.
