Highlights

Light and design
This design lamp has light with a minimalist essence that defies traditional boundaries, creating light and lightforms of inspiring purity and beauty.

Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

Specifications

Design and finishing
- Material: metal
- Color: aluminium

Extra feature/accessory incl.
- Dimmable
- LED integrated
- Defined light beams
- 5 years warranty on the LED module

Product dimensions & weight
- Height: 12 cm
- Length: 9.2 cm
- Width: 9.2 cm
- Net weight: 0.660 kg

Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 6 W
- Light color: warm white
- Lamp lifetime up to: 20,000 hrs
- Beam angle: 35°
- Total lumen output fixture: 290 lm
- Fixture dimmable
- LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 56 W

Service
- Warranty: 2 year(s)

Packaging dimensions & weight
- Height: 13.8 cm
- Length: 10.3 cm
- Width: 10.3 cm
- Weight: 0.800 kg

Miscellaneous
- Especially designed for: Living- & Bedroom
- Style: Modern
- Type: Spot light

Issue date 2016-01-22

Version: 5.0.1
