8000 Cooling 360° Integrated Fridge Freezer 176.9 cm

SCE818E8MF

Cools every corner. Helps to reduce food waste*
The 8000 Cooling 360° Fridge Freezer protects food, with 30% better temperature distribution on every shelf. Multiple air channels deliver consistent cooling and stainless steel creates an elegant and premium look for your kitchen.

Product Benefits & Features

Chill every corner with Cooling 360°
Protect food quality with stable temperature and humidity throughout the fridge. Stainless-steel interior makes a design statement. Efficient vents restore coldness fast after every door opening, which can help to reduce up to 28% food waste*.

GreenZone helps fruits and veggies stay nutritious
The GreenZone drawer eliminates excess humidity while preserving the right amount of moisture for your veggies. This preserves up to 95% of vitamins after 11 days, by protecting produce with the right amount of humidity.*

TwinTech® No Frost - keeps food juicy and hydrated
With TwinTech® No Frost you never have to defrost the freezer. Its dual cooling system keeps food 60% more hydrated than fridges with one evaporator.* By not using dry freezer air, it maintains ideal humidity and keeps food from drying out.

Peace Of Mind Included
AEG produce quality home appliances that are built to last, all our appliances come with a 2 year manufacturer's warranty as standard to protect against manufacturing faults and defects that occur during this warranty period. See the terms and conditions for your manufacturer's warranty.
