Highlights

Accent lighting

This Philips spot light has the perfect light beam for accent lighting. With bundled light you can emphasise any detail or feature in your interior.

Direct the light as you like

This Philips myLiving spot light puts you in full control of your home lighting. The flexible spot heads rotate freely in any direction, allowing you to direct the light where you need it most.

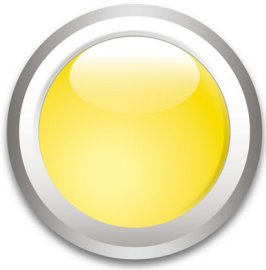
For any room in your interior

Fully functional and at the same time very elegant, this Philips spot light will bring a decorative touch to any room in your home.

Pure and modern shapes

Philips myLiving spot lights are designed to fit perfectly with modern interior decoration. Their sleek lines and simple forms will blend perfectly in any modern interior. Clean and confident, they provide the perfect style accent.

Brilliant high-quality light



Philips halogen lamps offer brilliant light to highlight features or create a nice ambience in your room.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Brushed aluminium

Highly modern, this variant of aluminium offers the same beauty completed by a brushed look, giving extra relief to the surface of the lamp.
