PHILIPS

Highlights

Forms and materials

Philips inStyle lighting fixtures are designed to fit perfectly with the best of all interior decoration, offering multiple styles to blend perfectly in anyone's home. With many applications and finishes, they combine well with features like curtains, furniture, paint and accessories to complete the look you desire. Careful attention to details and designs helps you to express your personal style, for interior decoration just the way you want it. This means an inviting ambience and surroundings that friends, family and you will enjoy.

Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips inStyle. It's a range of decorative suspension lights, wall lights, ceiling lights, floor lamps and table lamps in premium materials and different colours.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

Philips bulb(s) included

This lamp comes with Philips light bulb(s), offering you the best light quality and effect, matching your lamp.

Touch dimmer on article

Intuitively operated, just touch the dimmer and adjust the light to create the best ambience in your room.

Ultra-long bulb life

Philips bulb included with an ultra-long bulb life, up to 6000 hours.
