- Built-in auto-weighing function
- Unique shaping discs
- Automatic mixing, kneading and extruding
- Adding different ingredients to personalise the flavour
- A free recipe book with over 20 different dishes

Highlights

Powerful and fast extrusion

With advanced engineering and the robust material and build of the machine, the Philips Pasta and noodle maker can exert 726 kg (1600 lb) force on the dough during extrusion, which not only enables a fast making process in just 15 minutes, but also guarantees perfect texture and taste of the pasta or noodles.

Auto-weighing

The uniquely designed built-in auto-weighing function weighs the flour and indicates the correct amount of liquid automatically, making the whole process easier and more convenient than ever.

Unique shaping discs

The pasta maker comes with 8 shaping discs, including Penne, Spaghetti, Fettuccine, Lasagne/dumplings, Angel hair, Thick spaghetti, Tagliatelle and Pappardelle. You can easily bring variety to the table.

Automatic process

After choosing program and pressing start button, the machine automatically mixes, kneads and extrudes in one go.

Personalised taste

By using different types of flour and adding different ingredients like eggs, herbs or spinach and carrot juice, you can make various types and flavours of pasta or noodles.

Recipe book

Accompanying the machine is a colourful recipe book that provides ingredient lists for 24 different types or flavours of pasta and recipes for over 20 pasta/noodle dishes.

Specifications

General specifications

Product features: LED display
Number of shaping mouths: 8
Prefix programs: 2

Accessories

Included: Cleaning tool, Measuring cup, Recipe booklet

Design

Colour: Cashmere grey
Colour of control panel: Silver

Finishing

Material of main body: Plastic
Material accessories: POM

Weight and dimensions

Weight of product: 6.9 kg
Dimensions of product (L x W x H): 343 x 215 x 315 mm
Weight incl. packaging: 10.2 kg

Technical specifications

Cord length: 1.2 m
Power: 200 W
Voltage: 120 V
Frequency: 60 Hz

Country of origin

Made in: China
