- Adjust the brightness by using the remote control

Ultimate flexibility in installation

- Cut to size
- Plug and Play: easy installation
- Easy to mount with adhesive tape
- Connect to mains power

Easy and safe to use

- Easy-to-use remote control
- Protective silicone layer
- Safe LED technology

PHILIPS

Indirect light
LightStrips Extend 5 m multi colour, LED

7098055PU

Highlights

Choose from 16 colours

Choose your favourite colour out of the 16 different colours including white.

Diffused light effect

All the different colours blend naturally into your interior thanks to the diffused light effect with an output of 125 lumen/metre.

Automatic colour changing mode

The remote control offers 4 different settings to automatically change the colours of the LightStrips.

Dimmable

Adjust the brightness by using the remote control.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Plug and Play: easy installation

The LightStrips are very easy to install and guarantee immediate fun thanks to the plug and play principle. Everything you need is included in the box and explained in the Quick Start Guide.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Connect to mains power

The LightStrips Extend are connectable to mains power and wall switches in order to make more professional and embedded installation possible.

Easy-to-use remote control

The easy-to-use remote control includes on/off, colour selection, dimming and colour loop buttons.

Protective silicone layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.
