Danish EDB Power Strip 3-way Black, 5m cable

The MicroConnect MC-GRU0305EDBB Danish EDB Power Strip provides a reliable and convenient solution for powering multiple devices from a single outlet. Featuring three-way outlets, this power strip is ideal for home or office use, allowing you to connect computers, peripherals, and other electronic equipment. The 5-meter cable offers extended reach, providing flexibility in placement and ensuring you can easily connect to power sources even when they are located further away. Designed to meet Danish EDB standards, this black power strip ensures safe and efficient power distribution. With MicroConnect's 20+ years of expertise in connectivity solutions, you can trust in the quality and durability of this essential power accessory. Experience premium quality at a fair price with this dependable power strip, reflecting MicroConnect's commitment to pioneering innovation and customer-focused solutions.
