IGNITION™ 12

Portable Charger and Torch

€39.99 RRP

Sleek power on the go.

- Featuring 12,000mAh of power, the Ignition 12 can fully charge most smartphones up to four times or give a full charge to one tablet and one smartphone*.
- A simple power button helps preserve the available charge.
- It is small and compact enough to fit in any bag, so you will never be caught empty again.
- LED indicator will show you exactly how much power the Ignition 12 has left.
- The built-in LED torch lights the way when you need some extra light.
- Featuring a 5V/2A input and a dual USB output (5V/2.1A), the Ignition 12 works with virtually any smartphone.
