Indirect light

- LightStrips Essential 1 m
- white
- LED

70165/87/PU

Colour your world with light

The LightStrips Essential add a warm atmospheric glow to your interior. Use them to decorate your home with light.

Benefits

Let the light blend naturally into your interior

- Natural white diffused light effect

Ultimate flexibility in installation

- Cut to size
- Plug and Play: easy installation
- Easy to mount with adhesive tape

Easy and safe to use

- Easy-to-use light switch
- Protective silicone layer
- Safe LED technology

Features

Natural white diffused light

The natural white light with an output of 180 lumen/metre blends naturally into your interior thanks to the diffused light effect.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

PHILIPS

Plug and Play: easy installation

The LightStrips are very easy to install and guarantee immediate fun thanks to the plug and play principle. Everything you need is included in the box and explained in the Quick Start Guide.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Easy-to-use light switch

Simply switch the LightStrips on and off by using the on/off switch.

Protective silicone layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.

Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.
